RE: Updating Mining Plan

Daron Haddock:

This letter is a follow up to the recent July 9<sup>th</sup> meeting regarding survey status at Pelican Point Rock Products. As per your request, the status of the survey and plan amendments is attached, including the estimated time frames and dates.

According to Patrick with Mt. Nebo Scientific, the marks for the survey will be completed on July 26<sup>th</sup>, 2004. Seven days (August 2, 2004) following this marked date, it will be flown and photographed by Olympus Aerial Surveys, Inc. On August 23<sup>rd</sup>, maps will be generated and sent to Mt. Nebo Scientific where the mining plan amendments will be made. Mt. Nebo Scientific stated the amendments will be completed by January 31<sup>st</sup>, 2005.

If you have any additional questions, please feel free to contact our office at (801)768.4820 or Lance Heaton at (801)541.5541
